

THIS COMING WEEK WILL PROBABLY BE YOUR
LAST CHANCE
 AT THE
ROBINSON & GARMON
STOCK

As we are now Figuring With a Prominent Clothing House
 to take the Entire Stock of Fine
CLOTHING FOR MEN,
CLOTHING FOR CHILDREN
and MEN'S FURNISHING GOODS

But the stock as it now stands, is too large for them, so we will make extra efforts to reduce it to their figures before the end of the week. As is well known this clothing is the FINEST ON EARTH.

Atmosphere Constitution.
 In the last, lone December,
 But why should I remember
 When she can so forget?
 She will not mourn or waste it
 When cruel frost shall kill;
 But then, fond lips, and kiss it,
 For we remember still!

Innumerable paths and places
 Her fairy steps may be,
 But such a dreary place,
 The dearest dream to me;
 And thoughts like skies above me,
 With stormy somber set,
 The dark eyes seem to love me;
 Ah! how could they forget?
